Any damage in transit due to inappropriate packaging will be brought to supplier’s notice in reasonable time upon its arrival at final destination and the same needs to be replaced or rectified by supplier at their cost.

If after accepting, Company subsequently discovers latent material defects (including without limitation, non-conformance to the Specifications) not reasonably discoverable during the acceptance upon delivery, Company may revoke its acceptance of such Goods by giving written notice and disclosing the nature of any defects to Supplier as soon as practicable after discovering such defects.

Goods that are not in good condition, damaged by delivery or rejected by Company as not conforming to the PO shall, at Company’s option, be returned to Supplier at Supplier’s risk and expense and may not be replaced by Supplier without Company’s written authorization.
