2.4 Addenda

RGM reserves the right to issue changes to this RFP. Any such change will be issued to all bidders as an “Addendum to the RFP”. Such addenda will be issued in the same manner as the original RFP and to the bidder contact identified pursuant to Section 4.2 of the RFP.

3. INSTRUCTIONS TO BIDDERS

3.1 Intent

This RFP is not an offer to enter into an agreement with any party, but rather a request to receive proposals from entities interested in providing the products and/or services outlined herein. Such proposals shall constitute offers resulting in the award of this project.

Bidders are also advised that there is also a possibility that no award will result from this RFP.

3.2 Evaluation Criteria

Bids will be evaluated based on the criteria identified below.

Criteria	Points on 100 point basis
Technical Qualifications, Experience, Approach & Ability	50 points
Cost proposal	40 points
Responsiveness of the bidder	10 points

The information contained in this Request for Proposal is strictly confidential and it is intended to be used only in responding to this RFP.

3.3 Submission Requirements

Bidders are required to submit a soft copy of their bid to the contact identified in Section 2.2. Submissions **must** be received by the time and date shown in Section 2.1 above. **No bids will be accepted after this time.**

3.4 Late or Incomplete Bids

Late or incomplete bids may not be considered.

3.5 No Liability for Costs or Expenses

RGM will not be liable for any costs or expenses incurred by any bidder including, without limitation, any expenses incurred in the preparation and submissions of the bid.

3.6 No Liability for Information

RGM do not make any representation or give any warranty as to the accuracy, currency, or completeness of the information provided in this RFP. RGM accept no liability for any error, omission, or misleading information contained herein.

3.7 Irrevocable Bid

The bid submitted is irrevocable by the bidder.

3.8 Changes to Bid

Bidders will not be permitted to alter their proposals once they have been submitted.

3.9 Oral Information

Any information given orally by RGM employees or other third parties will not be binding nor will it be construed as a change to the RFP requirements.

3.10 Confidential Bids

RGM will consider all bids as confidential.

3.11 Incomplete Bids

RGM reserves the right to reject any bid whether or not completed properly and whether or not it contains all required information. Without prejudice to this right, RGM may request clarifications where the bidder's intent is unclear and may request amendments where, in the opinion of RGM, there are minor errors, inconsistencies, or omissions in the bidder's proposal.

3.12 Verification

The bidder agrees that RGM may verify any information provided in any proposal.

3.13 Misleading Information

If a proposal contains misleading or false information, RGM may, in its sole discretion, reject it.

3.14 Award

RGM reserves the right to accept or reject any or all proposals in whole or in part (including without limitation any of the optional proposals). RGM will have the right to make an award to one or more bidders or not to proceed with the project whatsoever.

3.15 Teaming

If the bidder is teaming with another party for the purpose of responding to this RFP, then the details of the proposed teaming arrangement should be specified in the proposal. RGM require that team members accept overall project responsibility.

3.16 Language and Format

Proposals and related support documentation shall be submitted in English using Microsoft Word, Microsoft Excel and with other ancillary documents in Microsoft PowerPoint or Adobe Acrobat.

3.17 Conflict of Interest

Bidders are requested to declare any real or apparent conflict of interest that exists (or may exist) during the bidding process or during the period of any subsequent agreement.

3.18 Alternative Proposals

Bidders must submit only one (1) main proposal, but bidders are encouraged to propose alternative proposals for consideration by RGM. Alternate proposals that the bidder feels may offer additional advantages to RGM must be submitted at the same time as the main proposal. They should be prioritised and the benefits of each alternative proposal must be clearly stated.

3.19 Acceptance of Alternatives

RGM reserve the right to accept or reject proposed alternatives as it sees fit, and to claim for itself the financial benefit of a substitution. Rejection by RGM of the proposed alternatives is final. RGM are not obligated to give any reason for its rejection of alternative proposals.

3.20 Right to Clarify and Negotiate

RGM without liability, cost, or penalty may in its sole discretion and at any time after proposal submission may seek clarification from the bidder or negotiate items relating to the proposal.

RGM may request bidder to confirm in writing any statement made by the bidder in relation to the clarification or negotiation.

Any written information received by RGM in response to a clarification or negotiation will be considered an integral part of the bidder's proposal

4. PROPOSAL

The goal is for RGM to award this service to the successful bidder upon completion of positive negotiations.

4.1 Basis of Proposals

Bidders are requested to submit detailed information of the equipment as per Annex 2. All equipment delivered shall comply with requirements outlined in the RGM Mobile Equipment Procedure Annex 3. Your proposal should also include a safe work plan as per Annex 4.

4.2 Validity

Proposals are required to be valid for a period of one sixty (60) days

4.3 Currency

Bidders are to provide pricing in USD.

4.4 Taxes and Duties

RGM has a tax exemption agreement with the government of Suriname and therefore tax should not be included in pricing.
